

Dental Hygienist in Bemidji, MN

Our dental team is looking for a motivated dental hygienist who enjoys serving others and contributing positively to a team environment. As a team, we provide quality dental care in a kind and considerate manner to all of our patients, with a focus on prevention and patient education. The hygienist will utilize good verbal and interpersonal skills with patients of all ages and demonstrate skill with local anesthesia and periodontal care. This is a full time position, although candidates with part time availability are also encouraged to apply.

An application for employment can be found on our website at <https://greatriver-dentistry.com/forms/>. Please send application for employment, cover letter and resume to baretwilliams@gmail.com or:
